The blessed month of Muharram is one of the sacred months [al-Bukhaaree 4662]. Allaah says regarding the sacred months "so wrong not yourselves therein..." [at-Tawbah (9):36] thus committing sin in such months is more serious than other months. And good deeds bring a greater reward! The Prophet (sallallaahu alayhi wa sallam) told us about fasting the 10th of muharram as he said: "...it expiates the sins of the preceding year.." [Muslim 1162]. It is also recommended to fast the 9th as he (sallallaahu alayhi wa sallam) said: "If I live to see the next year, if Allaah so Wills, we will fast on the ninth day (too)." [Muslim 1134]
